

Stop the Lawless-Hate!!!

2 Unfair sharing and siege

by ★the Women's Black-List

★First, They are hiding the taboo nature.

So unknowing it is unblamable. And it's not of course.

Also, becoming too late before noticing is a sneak attack.

★Secondly, unity is always violent.

★Originally, they can know me by illegal sharing only.

★Originally, it is my privacy and freedom, so there is no room for third parties to interfere.

Originally, it's natural resisting against unity. It's fair-defense.

★The Women's Blacklist is a disciplinary system for taboo sinners.

In short, it's a warning system not to refuse each lady's advance.

Naturally it cannot be tolerated agency in the internet age.

Because naturally it become absolute power with fear of abuse.

★Thirdly, it's always one-sided. outnumbered without excuse.

★Fourth, it's baseless. one-sided is Gender discrimination.

Is the true nature of world a secret, primitive cult of an evil god?

Or is it a society ruled by women? Mysterious creature.
